Mr. Howland Wood.

Acting Secretary

The American Numismatic Society

New York, N.Y.

Dear Sir:

In reply to your kind favor of the 14<sup>th</sup>, I return the enclosed card as you request. I have been most interested in the American Copper coins. Particularly the U.S. Copper Cents which in the past absorbed much of my attention. Of late years so much of my time has been given to the Vineland Historical and Antiquarian Society and other interests that Numismatics have been neglected. The Society has a few coins in its collection including an incomplete set of U.S. Cents, 1792-1857, which are almost unknown to the present generation, but yet of interest to visitors.

Very truly yours

Frank DeWette Andrews.

I will mail you a copy of the last annual report of the Historical Society.

courtesy, I am Very truly Frank W. Andrews.

Frank W. Andrews, Esq.  
Vineland, N.J.

Dear Mr. Andrews:

In view of your kind contribution toward our Indian Peace Medal Fund, you may be interested to learn that we were very successful in securing sufficient funds to enable us to purchase every one of the twenty medals which we especially desired.

Our collection of Indian Peace medals is now a truly remarkable gathering, the like of which exists nowhere else in the world. The Society is, therefore, very appreciative of your loyal and generous assistance which has contributed to the fortunate result as outlined above.

Please allow me to add my own personal thanks to those of the Society, and believe me,

Yours very gratefully,

President
